

## Introducing the NEW Elevance™ Dental Chair by Midmark.

Sophisticated styling, optimal patient access and exceptional patient comfort.

The culmination of years of research and development, this patient chair is a genuine departure from any chair on the market today. Features include:

- Unique Cantilever Forward™ design accentuates the dramatic styling and allows for an unsurpassed range of travel for greater flexibility, whether working from a seated position or standing
- Exclusive, NEW SerenEscape™ heat and massage system to enhance the patient experience and keep the patient relaxed
- Thin, narrow backrest for optimal access to the patient
- 450 lb weight capacity

Elevate your expectations...choose Elevance™.
